All,

BACKGROUND:

In accordance with the attached Director, Defense Procurement and Acquisition Policy memorandum of March 28, 2011, a class deviation has been issued that modifies the definition of Simplified Acquisition Threshold to include a threshold for humanitarian and peacekeeping operations.

POLICY:

a. In addition to the definition at FAR 2.101, "Simplified Acquisition Threshold" means $300,000 when soliciting or awarding contracts to be awarded and performed outside the United States, or making purchases outside the United States, for acquisitions of supplies and services that, as determined by the ADC, I&L (Contracts), are to be used to support a humanitarian or peacekeeping operation.

b. This class deviation became effective 28 March 2011 and will remain in effect until incorporated in the DFARS or until otherwise rescinded.

PROCEDURES:

Effective immediately, Contracting Officers shall use the above definition of Simplified Acquisition Threshold for any contract to be awarded and performed, or purchase to be made, outside the United States in support of a humanitarian or peacekeeping operation.

Please ensure this guidance is provided to all appropriate acquisition personnel.
