UPDATED BOARDING PROCESS FOR NON-UNIFORMED MILITARY PERSONNEL:

Effective Jan 20, 2018, Delta Airlines updated their boarding process and announcements. As a result, non-uniformed personnel will be included in the pre-boarding announcement and invited to board with customers traveling with infants in car seats or strollers. Per Delta Airline's Senior VP for Operations, this will be effective for all CONUS and OCONUS hubs. *Travelers must have military ID.
