

A few minutes of your time helps keep the best movers moving customers and their families! Your survey feedback is key in keeping the DOD informed of whether moving companies are doing a good job or not. Your feedback assists the DOD to identify companies that are not providing quality service which may result in their removal from the program. Watch a short video about how to share your moving experience feedback at https://youtu.be/t_tjS_5SSg.

What is the Customer Satisfaction Survey?

The Customer Satisfaction Survey (CSS) is the Department of Defense's (DOD) primary indicator of a moving company's performance on specific events in the life cycle of a personal property move. It is a multiple question evaluation that allows DOD and U.S. Coast Guard customers, or their representative, to rate their moving company's service throughout all stages of a PCS move. **Completing the CSS is very important! Your responses provide the DOD with actionable feedback regarding your moving experience that will directly impact the moving company's future business with the DOD.**

When can I expect to fill out the CSS?

You may receive up to five surveys throughout your PCS move, based on the following events in the life cycle of your move:

1. Survey #1 Counseling - survey sent after counseling (in-person or self-counsel) is complete.
2. Survey #2 Origin Services - survey sent after moving company changes status to "in-transit."
3. Survey #3 Destination Services - survey sent approximately **7 days** after delivery.
4. Survey #4 Transportation Service Provider (TSP) Claim - survey sent approximately **75 days** after claim is submitted.
5. Survey #5 Military Claims Office (MCO) - survey sent approximately **75 days** after all or part of a claim is transferred to the MCO.

Note: The 75 days is a survey release point only and bears no correlation to the amount of time it will take the MCO to properly adjudicate your claim.

How can I complete the CSS?

You will receive a link via email and text message. The online survey can be completed using a personal computer or a portable device (smartphone, tablet, laptop). **Your timely feedback is important, the link you receive for each survey expires 120 days from receipt.** You will receive reminders for each survey until completion and up to expiration.

What types of questions will I be asked?

The brief surveys will ask you to rate your experience with both DOD staff as well as your moving company, and include optional open-ended comment boxes. The questions use sad to happy face icons to rate your satisfaction and are quick to complete.

Sad Faces = Less business for the moving company

The results of the CSS help the DOD achieve the dual goal of:

1. More frequently selecting moving companies providing quality service.
2. Motivating moving companies to improve their performance.

Happy Faces = More business for the moving company

How satisfied were you with the professionalism of the counselor(s)?

Please tell us more about your household goods counseling experience.

What happens with my comments after submitting the survey?

DOD representatives and your Transportation Service Provider (if you agree to share with moving company) will review your comments and information will be used to track trends, evaluate issues, and improve service.

Should I expect a survey from my moving company?

No, your moving company should not ask you to fill out any other survey, including verbal, printed/electronic material, or social media. However, they can remind you to fill out the DOD Customer Satisfaction Survey.

IMPORTANT: PLEASE NOTE

1. Keep your primary and secondary telephone numbers and email addresses updated at all times to ensure receipt of the surveys.
2. Survey links will expire **120 days** from the date of initial receipt.
3. Please complete the survey in a timely manner as multiple reminders will be sent until the link expires.
4. Please complete all surveys sent to you to ensure your satisfaction and feedback are documented to provide improved services for your fellow DOD members in the future!
5. If you have not received the survey in the timeframe mentioned above, check your spam folder.
